RE: Request for State Applicable and Relevant and Appropriate Requirements (ARARs) for the Norwood Industries Site in Toledo, Lucas County, Ohio

Mrs. Weaver:

This letter requests that the Ohio Environmental Protection Agency identify all Applicable, Relevant, and Appropriate Requirements (ARARs) for the potential upcoming removal actions at the Norwood Industries Site in Toledo, Lucas County, Ohio. Any State ARARs identified in a timely manner for this removal action will be complied with to the extent practicable.

The United States Environmental Protection Agency (U.S. EPA) is in the process of preparing a funding package addressing the removal actions at the Sites. These removal actions will include the removal of liquids and debris containing hazardous materials. I will continue to update you on the status of both the U.S. EPA funding process, as well as the on-going enforcement investigation progress.
